Winter Gardens, Burdon Road SR1 1PP

If you love all things 'wordy' the Lively Letters Club is the place for you! Aimed at older adults, sessions will include pen-pal letter-writing, card-crafting, games, puzzles and quizzes, and lots of time to chat. Whether you're a seasoned wordsmith or just starting out, this club is the perfect place to share your love for all things literary. Get ready to connect with fellow bookworms, participate in a letter writing challenge, and discover new authors to add to your reading list.
