Venue: Cliffe Park, Sunderland

Cliffe Park is a spacious, open grassed area that offers stunning views of Seaburn and Roker's award-winning coastline. Both beaches consistently maintain International Blue Flag status and have earned the prestigious Seaside Award from the leading environmental charity, Keep Britain Tidy.

Cliffe Park played a central role in the Sunderland Airshow, serving as the venue for the main performance stage, hospitality areas and exhibitor displays. Located in a residential area, the park is surrounded by vibrant seafront businesses including bars, restaurants, guest houses and hotels.

The park offers excellent accessibility, with convenient transport links and nearby bus stops for both coach and bus services. Additionally, Seaburn Metro Station is just a 20 minute walk away, providing easy connections to Sunderland and Newcastle city centres. Sunderland city centre is approximately a 30 minute walk from the site.

Sunderland City Council has extensive experience in hosting and delivering large-scale events. We understand the logistical requirements, including costs, infrastructure, and licensing, and are eager to support organisers in making the most of the city's vibrant opportunities.
