# Venue: Seaburn Recreation Park

Seaburn Recreation Park is public grassed event space with sweeping views of the award-winning coastline at Seaburn.

Recreation Park is opposite the event space at Cliffe Park. The park regularly hosts historic vehicle shows and events for the Armed Forces Weekend.

The park, which can be locked and secured, is located within a residential area with sea front businesses including bars, restaurants, guest houses and hotels nearby. There is excellent access to the park via main transport links with bus stops for coach and bus services. The site is also within 20 minutes' walk from Seaburn Metro station giving great access to both Sunderland and Newcastle city centres.

Sunderland City Council has extensive experience in hosting and delivering large-scale events. We understand the logistical requirements, including costs, infrastructure, and licensing, and are eager to support organisers in making the most of the city's vibrant opportunities.
