Venue: Sunnyside Gardens, Sunderland

Sunnyside Gardens is a vibrant city centre space and a perfect location to host a variety of events.

Highly commended at the prestigious Landscape Institute Awards, Sunnyside Gardens boasts beautifully designed landscaping, paved areas and striking features created by renowned artists.

Located in the heart of the city centre, Sunnyside is home to contemporary restaurants, cafés, and unique boutiques. The area also features several art attractions, including a striking glass and metal sculpture inspired by Sunderland's rich industrial heritage.

With excellent transport links - bus, Metro, and rail all within easy walking distance - Sunnyside Gardens is an ideal venue for live performances, festivals, and events. Local transport providers are open to discussing alternative arrangements if needed.

Sunderland City Council has extensive experience in delivering large-scale events. We understand the logistical requirements, including costs, infrastructure, and licensing, and are eager to support organisers in making the most of the city's vibrant opportunities.
